READ SHOCKING REPORT ABOUT
WHITE RIBBON AUSTRALIA

ALL LIVES EQUAL.ORG

WHITE RIBBON AUSTRALIA is hypocritical and callous. It says “STOP VIOLENCE AGAINST WOMEN AND GIRLS” while advocating for late term abortion and even the decriminalisation of abortion.¹ This means that they are okay with growing babies – of which 50% are females – being violently and brutally DISMEMBERED and KILLED ² for any reason, during any stage of pregnancy. **# White Ribbon supports violence against females in the womb**

SMOKING HARMS UNBORN BABIES

Smoking during pregnancy reduces blood flow in the placenta and limits the oxygen and nutrients that reach the growing baby. Smoking increases the risk of miscarriage, stillbirth, premature birth, problems during the birth or the baby having a smaller brain and body.

You CAN quit smoking.

WHITE RIBBON UNEQUIVOCALLY
ADVOCATE LATE TERM ABORTIONS

ALL LIVES EQUAL.ORG

Heavily government funded **WHITE RIBBON AUSTRALIA** has joined other radical feminist groups in demanding the legalising of "late-term abortions", as well as "decriminalisation of abortion" ¹. There is no mention of the physical and psychological effects abortion has on women, nor the rights of females in the womb. **WHITE RIBBON'S** total disregard and dehumanizing of pre born babies is condemnable. Even **TOBACCO COMPANIES** have **SMOKING HARMS UNBORN BABIES** on their cigarette packets, which highlights the humanity and vulnerability of these babies. But the idea that a baby can be killed in the womb, at any time, for virtually any reason without penalty, is both illogical and evil.
